Three Crosses, Two Choices - Which One will YOU Make?

Choosing to accept Jesus Christ as your Lord and Savior is the most important decision any of us will ever make. Many of our elementary aged kids are ready to make this choice. Here is a game that I hope will help many children make an educated decision to choose Jesus.

Assembly: For this game, I used 6" x 9" manila envelopes. You will need 12 of them. Cut out all cards found below along the black lines. Attach the Scripture card on the front of the envelope and the corresponding "Quiz" card on the back of the envelope. I have placed letters in the corners of each card for easy matching. Place the corresponding "Label" cards inside each envelope.

Set Up: For this game, I use 2 pocket charts (approx. 28" square). (You can find pocket charts at your local teacher supply store or online at www.orientaltrading.com) Place all 12 envelopes on a pocket chart. (See picture below.) On another board or pocket chart, create 3 crosses and attach them. I simply used old paper grocery bags and taped them to my pocket chart. Place the "Title" cards at the top of the pocket chart with the crosses.

How to Play: Divide your children into 2 teams and pick a child to be the scorekeeper. Tell the children the following: Choosing to make Jesus their Lord and Savior is the most important decision they will ever make. Important decisions often require a lot of thought. Sometimes you need to weigh the good and bad of a situation. And you always need to find out the truth! Today we are going to play a game that will hopefully help you make the decision to choose Jesus.

When Jesus died on the cross, there were two other men who died next to him. (Point to the 3 crosses.) Many of you know the story that one chose to believe in Jesus and the other chose not to believe in Jesus. Every one of us sitting in this room today, has the same choice.

Instructions continued on next page...

Our game today is going to teach you who Jesus said He was and you are also going to learn who man is. Our middle cross represents the cross of Jesus and the other two crosses represent mankind.

After we have discovered who Jesus is and who man is, I am going to present you with the opportunity to make your own choice.

Here is how to play the game: A team member will pick any envelope off the board. I will read the Scripture and then the explanation. I will then ask you a multiple choice question. If you get it right, you will find out how many points you have earned for your team by taking a label out of the envelope. You can earn either 300, 200 or 100 points. You will then place the label on the cross of Jesus or on one of the other crosses that represent mankind. The team with the most points at the end of the game will win. Here we go!

After playing the game, I encourage you to give an invitation to accept Jesus as their Lord and Savior. You can download the script that I use for large groups at www.scripturelady.com under the "Free Sunday School Lessons". Once on that page, scroll down to the bottom where it says "Teacher Helps" and then click on "A Script for the Invitation to Accept Jesus as Lord and Savior".

May the Lord bless your ministry!

Behold, I am coming soon!
My reward is with me, and I
will give to everyone
according to what he has
done. I am the Alpha and
the Omega, the First and
the Last, the Beginning and
the End.
