TRAINING SCHEDULE

Our training sessions are intended to maximize our time together. Session #1 will be an overview of two lessons in a series with particular emphasis on concepts that need to be explained to the children. *It would be beneficial and we highly recommend that prior to the demonstration you review the lesson or the scripture passage to be presented.* This advance preparation will enable you to have questions ready regarding the lessons, songs, concepts etc.

Session #2 will be either extra Holiday Ideas, or our Party Club presentation. We will demonstrate the Party Club Kits at least one month before the holiday. It is our hope that this will greatly assist your ministry with ideas and helps.

ABOUT AFTER-SCHOOL GOOD NEWS CLUBS

(AS-GNC) AS-GNC are Bible classes that children may attend, with parent permission, once a week after school hours on school grounds. The purpose of AS-GNC is to evangelize boys and girls with the Gospel of Christ, establish (disciple) them in the Word of God and in a local church for Christian living. To accomplish this goal, each club includes strong discipleship teaching to build character and strengthen moral and spiritual growth.

It is an excellent opportunity for children to hear the Gospel and learn the truth from God's Word. Each week the volunteer teachers present an exciting Bible lesson using colorful visuals with a clear presentation of the Gospel and an opportunity for children to trust Jesus as Savior. This fun time includes songs, Scripture memory, mission story, review games or other activities focused on the lesson's theme.

WILL YOU HELP? Our vision is to take the gospel to every school. To achieve this goal we need many volunteers. If you would like to know more about how you can get involved in this exciting ministry, call the Cristina McConnell, Missionary Director at 562-822-9865 or email ceflbdirector@aol.com.
