GENE RACIION 2013 - 2016

I want to be a  
teacher when I  
grow up because  
I can help people  
learn and I love  
to teach.

I want to be an  
engineer when I  
grow up because  
I can make things  
that help people.

I want to be a  
doctor when I  
grow up so I  
can help people  
feel better.

I want to be a  
baker because I  
love to make  
things that taste  
good.

I want to be a  
scientist when I  
grow up because  
I can learn about  
how things work  
and I love to  
experiment.

I want to be an  
artist when I  
grow up because  
I can express  
myself and make  
things that are  
beautiful.

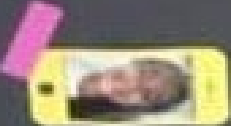

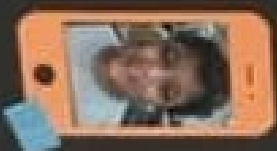

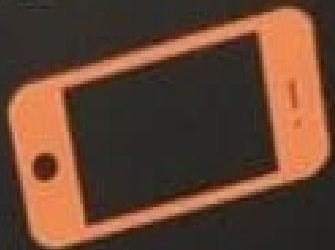

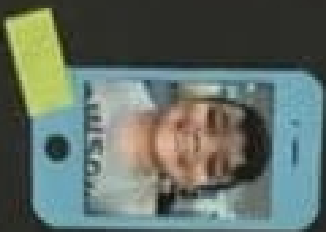

I want to be a  
teacher when I  
grow up because  
I can help people  
learn and I love  
to share my  
knowledge.

I want to be a  
doctor when I  
grow up because  
I can help people  
feel better and  
I love to learn  
about the human  
body.
