CREATION: HOW THE WORLD BEGAN

GENESIS
1:1 - 2:25

JESUS LOVES

"In the beginning God created the
heavens and the earth."
Genesis 1:1

CREATION: HOW THE WORLD BEGAN

GENESIS 1:1 - 2:25

UNDERSTANDING THE STORY:

Have you ever looked at the stars, plants, animals, and people, and wondered where everything came from? It's important to know the answer to that question.

- *At the very beginning, there was no earth or sky or anything else. But, do you know Who was there at the beginning? (God was there.)*
- *What do you know about God? (The Bible says that God has all power and He is completely loving.)*

In the beginning God created the heavens and the earth.

- *What does it mean to "create"? (To make something) When God created, He created out of nothing.*
- *The Bible says that God created everything in six days. Do you want to know what He made on each day?*

Day 1: God created light.

- *Is light a wonderful thing? God separated the light and the darkness. (God created light on day one, but the light wasn't from the sun...He created the sun on a different day.) **God saw that it was good.***

Day 2: God made the firmament.

- *Can you say "firmament"? Do you know what the firmament is? (The firmament is the sky.)*
- *When God made the firmament, He made water underneath it and above it. This water would be important for the earth. God called the firmament heaven/sky. **God saw that it was good.***

Day 3: God made dry land and seas.

- *God brought the waters on earth together. What do you think God called the waters? (Seas) What do you think God called the dry land? (Earth) **God saw that it was good.***

Also on Day 3: God created plants.

- *Can you name some kinds of plants that God created? (Grass, herbs, fruit trees...all plants.) Can you name any fruit trees that God made? **God saw that it was good.***

Day 4: God created the sun, moon, and stars.

- *When do we see the sun shining? When do we see the moon and stars shining? God gave us these lights in the sky to separate the day from the night and to give us light on the earth. **God saw that it was good.***

Day 5: God created animals that fly and animals that swim.

- *What do we call animals that fly in the sky? (Birds) Can you think of any birds that God made?*
- *What kind of swimming animals did God make? **God saw that it was good.***

Day 6: God created animals that live on land.

- *What kinds of animals live on land? **God saw that it was good.***

Also on Day 6: God made man and woman.

- *God made people in His image. They are different from all the animals.*
- *One way that people are special is that people can talk with God and know God.*

Day 7: God finished His work and rested.

- *Do you think God enjoyed what He had made?*

AND REMEMBER...

*God is your Creator
and He loves you!*

MEMORY VERSE:

*"In the beginning God created
the heavens and the earth."
Genesis 1:1*
