JESUS HEALS TEN LEPERS

LUKE 17:11-19

UNDERSTANDING THE STORY:

A leper is a person with the disease (sickness) called leprosy.

- What is leprosy? (A very, very bad sickness that could not be healed. If a person had leprosy, they could not come close to any person who did not have leprosy, because they could get sick also. Sadly, lepers could not even live with their family or be near their friends.)
- Do you think these ten men were hoping that Jesus could help them?

The ten men with leprosy shouted to Jesus, asking Him to have mercy on them.

- What does mercy mean? (Being kind and helping a person who is hurting, sad, or needs help.)
- Did Jesus have mercy on them? What can we learn about Jesus?

Jesus told the men to go and show themselves to the priests.

- When were the ten men healed of leprosy? (v. 14: "...as they went, they were cleansed." It was when they obeyed Jesus.)

After the lepers were cleansed, one came back to Jesus to thank Him.

- Did Jesus notice the one man who was thankful? Was it important and special to Jesus that the man said "Thank you"?
- The nine men chose not to come back to Jesus to thank Him. Did Jesus notice that they did not thank Him?

SIMPLE TRUTHS:

When the ten men asked Jesus to help them, He did help them.

- Do you ever pray and ask Jesus to help you with something? We cannot see Jesus, so how can we ask Him for help? (By praying. Simply talk to Jesus, because He hears us.) Is there anything that you want to ask Jesus right now?

The men were healed when they obeyed Jesus.

- How important is it for us to obey Jesus? What exactly does it mean to obey? Do you want to ask Jesus for help to obey Him?

Jesus had done something so loving for ten men, but only one said "Thank you" to Jesus.

- Think of something that Jesus has done for you or something He has given to you. Think about a prayer that Jesus has answered for you. Have you thanked Jesus for any of those things?
- We should be thankful to Jesus! The Bible says that every good gift comes from God (James 1:17). Who wants to pray right now and thank Jesus for something?

Jesus took away a very bad sickness from these men.

- Even if our bodies are not sick, we all have a problem in our hearts and we need Jesus' help. Do you know what the problem is? (Sin - we all do bad things)
- Who is the only One that can forgive us of our sin? (This may be a good time to talk about salvation.)

AND REMEMBER...

To thank Jesus every day for all that He has done for you!
